

PRESS RELEASE

ROCKY MOUNTAIN RACEWAY PARK – THE ROCK

SATURDAY OCTOBER 17, 2009

On Saturday The Rock held its last event for the 2009 season. The Rock decided late in the week to hold the first ever "Indian Summer Classic Shootout." Since the racers were never able to have their last race of 2009 due to poor weather for the first two weekend of October, The Rock management decided to give them one last race before the snow comes to stay. Fans would see five classes compete the Sportsman Sprints, IMCA Modifieds, Truck Stocks, Hobby Stocks and Claimers/Stock 4.

The weather cooperated and the challengers lined up to take on the ¼ mile high banked dirt oval. Even though the Sportsman Sprints had a poor showing #96 Paul Lamoureux and new comer driving the #42 sprint Jamie Hansen would put on a show to remember. After each taking a heat Lamoureux showed his experience winning the final and taking the first place trophy.

The IMCA Modified class where all battling as though points were on the line. At the end of the race standing tall was the #9 driven by Roger Bonneville. Followed by #3 Rico Squizzato taking second place in the final and #95 TJ Bonneville would take third.

The Hobby Stocks had a great turn out of cars. The 25 lap final saw 9 cars enter. But there can only be one winner and that was #22 David Bloomberg. Finishing second in the point's race for 2009 and also the final race was #6 Darrell Belanger. Also finishing third in the season and this race was the young driver #10 Cody Beaton.

The Truck Stocks saw a glimpse of two new drivers trying their hand at The Rock. These drivers came to win and put on a great show. Winner of the final race was #12 Wayne Seaward followed by this years points champ #7 Curtis Bigelow and the #18 truck driven by Brian Roode took third.

The Claimer/Stock 4 racers saw last year's champ Shawn Patterson win the first two heats in the #69 car but he couldn't beat this year's champ #5 Joe Dery in the final he took the checkered flag followed by Patterson and this year's third place winner #3 Dave Sherriff

The Rock would like to thanks all fans, staff, volunteers and drivers for a great 2009. Watch www.racetherock.ca for next season's race dates.
